

COUC 999 Research Internship
Research Project Proposal

Student: Ray Wagoner

Supervisor: Dr. Kristy Ford

Leadership Project: (Briefly describe the project or the scope of the student's activities)

The student will work with me on various tasks related to program improvements. I will supervise the student in all aspects of the project.

Tasks agreed upon for successful completion of internship: Tasks will be assigned as outlined by the duties of my position, to include areas such as current policies and procedures, CACREP revisions, program evaluation, and curricular overviews.

Responsibilities of Intern: The student will commit to weekly supervision. The time (including supervision) spent on leadership activities will be consistent with the approximately 200 hours required for the internship. Student will communicate with me any concerns or expectations that arise during the internship.

Responsibilities of Faculty: I will provide weekly supervision where I will overview the progress of prior projects as well as to outline future areas of need. Focus will be spent on the processes and functions of administrative research in the program.
