| 11. I would recommend this intern as an instructor to other students. | 1 | 2 | 3 | 4 | 5 |

Please respond to the following questions:

1. What are the strengths of this intern?

Ray has a strength of fleshing concepts out and having discussions with students. He takes a humble yet competent stance while answering and explaining.

2. What are the areas of improvement for this intern?

Since Ray is so good at wrestling with concepts, sometimes I feel like it can be challenging for him to know how to translate those concepts into practical exercises.

3. Do you feel that this intern helped you to develop as a counselor? If so, how? If not, how could they have contributed more to your development as a counselor?

Absolutely! Just the humility and care with which Ray handles small interactions and explaining concepts has taught me a lot about therapeutic attitudes.

Please respond to the following questions:

1. What are the strengths of this intern?

Very good at relating with students. Very knowledgeable about the content and taught it in a very effective way.

2. What are the areas of improvement for this intern?

The only thing I can think of is that it would have been nice to have more assignments and opportunities to practice what we learned. That is probably valued more to the course than the instructor.

3. Do you feel that this intern helped you to develop as a counselor? If so, how? If not, how could they have contributed more to your development as a counselor?

Yes, I learned a lot from his knowledge and experience.
